Back to School News for Pembroke Elementary School.

Dear Families,

We are pleased to welcome our students back for in-person learning this fall. The following decisions have been made concerning our opening of school for students on September 1, 2021.

It is currently a Maine State requirement that anyone riding the bus will be required to wear a mask. Once students reach the school, masks will not be required at this time. However, any staff member or student who wishes to wear a mask can do so. We are committed to providing a safe learning environment at our school and will continue with daily sanitation of student work areas as well as continue with hand sanitizing as we did last year. Additionally, daily screening will continue and temperatures will be taken at the door. Our social distancing practices will also continue to be in place.

We will be providing a regular full school day with breakfast starting at 8:15 am. School begins at 8:35 am. Dismissal is at 11:50 am for pre-kindergarten and 2:50 pm for k-8 students.

Pembroke School will not be offering remote learning options.

Please keep in mind as we are still in some uncertain times, our opening of school plan is subject to change.

We are looking forward to seeing all of our students on September 1st! Enjoy the rest of summer!

Sincerely,

Debbie Jamieson
